- 15:00 Good bye, coffee and possibility for RC component meetings

Program for faglig ekskursion

Den 9/3 2015 kl. 13.30-18.00

13.30 Bus afgår fra Nymindegab til Filsø (Lunde Turistbus)

Orientering om Filsø undervejs (v/ Merete Vigen Hansen www.meretevigen.dk).

14.00-14.45 Besigtigelse og fortælling om Filsø v. Merete Vigen Hansen (Freelance Kultur- og naturformidling, medlem af Aage V Jensen Fondens bestyrelse for Filsø og hovedbestyrelsen for Danmarks Naturfredningsforening).

14.45-15.00 Kørsel til svineproducent Asger Pedersen, Nymindegabvej 181, Outrup.

Orientering om projektområdet ved Peter Stubkjær og Tommy i bussen undervejs.

15.00-15.15 Kaffe + brød

15.15-16.00 Projekt om areal-regulering.

Asger Pedersen har været med i projektet om ny arealregulering. Temaet vil være den ny arealregulering med input fra deltagende landmand Asger Pedersen, lokal Miljørådgiver Peder Christian Thomsen (JYSK), SEGES Planter og Miljø (Irene) og Miljøstyrelsen (Nikolaj Ludvigsen).

16.00-16.15 Kørsel til økolog Flemming Kristensen fra I/S Kristensen, Søndersøvej 80, 6854 Henne. Evt. lidt kommentarer i bussen.

16.15-17.00 Fokus på økologi – drøftelse af muligheder.

I/S Kirstensen driver et økologisk malkekvægbrug. Temaet for besøget er aftalt at være: udnyttelse og tab af N-ressourcen på økologiske landbrug. Hvilke overvejelser gør landmanden, og hvad viser forskningen?

Input fra landmand og forsker (Professor Jørgen E Olesen, AU), vedr. målinger af udvaskning fra økologiske sædskifter med kløvergræs og indtænkning af virkemidler til at holde på kvælstof.

17.00-17.15 Kørsel

17.15 -17.45 Stop ved formidlingspunkt Nøreng Plantage (Kærgaard Klitplantage), hvor Varde Kommune (v/ Klaus B. Fries, teamleder for Natur og Park i Varde Kommune) orienterer om Naturpark Vesterhavet, formidlingsprojekt - fortællinger i naturen, og hvor der vil være mulighed for at se krondyr.

Tilbage ved Nymindegab kro omkring kl 18.
